

UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF NEW HAMPSHIRE

United States of America

v.

Case No. 09-cr-112-03-PB

Michael Roux, et al.

O R D E R

Elvin Ealy has filed a motion to sever his trial from the trial of his co-defendants.

The sole charge against Ealy is distinct claim that can easily be tried separately without undue burden. Ealy is not alleged to be a member of the conspiracy that will be the focus of the trial of his co-defendants. There is a real danger of prejudicial spillover because the vast bulk of the evidence will only be admissible against the co-defendants.

The motion to sever ([Doc. No. 59](#)) is granted.

SO ORDERED.
